### **SAT Dates and Fees**

Distribute the SAT handout and have students put them in their portfolios. Explain to them that even if they took the SAT last spring, college bound students around the nation usually retake the test in the fall of their senior year because scores usually go up due to maturity and familiarity with the test. Even if they have not practiced over the summer or taken further course work, scores tend to go up. Point out that the next sign-up deadline is September 24 for the October 9<sup>th</sup> test. Note that this would be considered a late registration.

## **ASSESSMENT:**

1 point for participation, 1 point for turning in completed survey and placing paperwork in portfolio.
