Announcements:

Reminders:

Advisors: There are several handouts you should have available to distribute to parents, during the SLC's. See "Materials Needed" for a complete list.

Check to make sure all students have reserved a time for their conference, and follow-up with those who haven't made a reservation.

Students:

Culminating Project packets will be distributed during our next Advisory class, April 14. This is an important document and you will want to be sure to attend!

Be sure to check on the DPHS website under the Stag's LEAP link to get lesson information and handouts for advisory sessions that you may miss this year. As a junior it is important to get and keep your binder up to date, so you don't have to worry about it your senior year when you are working on your culminating project.

You should work on collecting two more work samples from 2nd semester to include in your binder. We will add these before the end of the year. These are **required** for the Stag's LEAP Portfolio.

Skyward usernames and passwords are available from your advisory teacher if you need it. See advisor at end of advisory to obtain these.

Lesson Goals:

- **Last chance to prepare for the Student Led Conference!**

MATERIALS NEEDED:

- *Half-sheet for prospective judges.*
- *Feedback surveys for parents, student, and advisors.*
- *Skyward IDs and password for your advisory*
- *Skyward information sheets for parents(if wanted)*
- *Grade Report Form*

**CLASSROOM
ACTIVITY 1:**

Grade Report Forms

Hand out Grade Report Forms to all students. They must get their current grades from their teachers on Wednesday and bring the form to their SLC.

**CLASSROOM
ACTIVITY 2:**

Polishing the Student Led Conference Presentation

Class time should be spent putting the final touches on the SLC. Have students work in groups so everyone can practice their SLC. Advisor expectations should be higher this year than in any past years as this is the last one before the big and important Senior Boards!

ASSESSMENT:

One point for participation.

One Point for having and using note cards

SLC Note:

- At your SLC, please ask parents if they are willing to judge the seniors **this** year, if so ask them to fill out the ½ sheet and when all your SLC are over give the sheets to Tammy.
- We have to gather data again this year for the state so please ask the parents and students to complete the appropriate survey. There is also one for the advisor to complete. Turn all in to Tammy when finished with SLC.
- Ask parents if they can access Skyward. If not, please give them an information sheet and their ID & password.

ADVISORS:

Please let me know if you have an excellent candidate to do their SLC for the cameras. We are thinking about creating a new video.

THANK YOU!
